# READ CAREFULLY

AT POSADA EVA WE HAVE AN ANSWER FOR 100% OF YOUR CONCERNS.

## THE FIRST THING YOU NEED TO KNOW ABOUT LOS ROQUES:

Rates are calculated per adult per night, meaning each adult pays per night of stay, not per room.

Dear client, it is important to take into account: Transfers to the keys are carried out purely by the Boatmen's Cooperative of the archipelago, any adjustment in these rates does not depend on the inns, these transfer prices may increase without prior notice depending on the season, please note Keep in mind that you must pay the difference in this service corresponding to the increase when applicable. By paying and accepting your reservation you are accepting these conditions.

**SEE RATES HERE** 

## **DO TRANSFER PRICES CHANGE?**

Transfer prices vary depending on the season, you should consult your agency, our inn or directly at the Los Roques transfer cooperative. At Posada Eva we are a bridge between the boat drivers and you to coordinate your transfers or tours, however the pricing policies for boat transfers depend on the Los Roques boat drivers cooperative.

If you travel by ferry, we suggest purchasing an accommodation plan for 4 days and 3 nights because the ferry leaves La Guaira on Fridays and returns to La Guaira on Mondays. You can also do a mix with the ferry and the air ticket.

The Ferry costs approximately 60 USD (May increase without prior notice) per adult one way. You must also pay a special fee of 15% of the total of your accommodation reservation to said company (Responsible for the Ferry). In this sense we always recommend traveling by plane.
